An assisted living retirement community

Chityal Road, Bhongir, Hyderabad - 508116,Telangana State, INDIA

Celebrate your life...At the most unique residential destination in India!

VISION

To create a green multi-generational campus with a world class school, health & fitness centers, Event Facilities (Stadium), after-school learning & **an assisted living community** under one sphere to enable synergies and be the bench mark for excellence.

MISSION

Transit Point, a Senior Care Center - To provide the best in class care,comfort, services, accommodation & security to enable residents to live an active & fulfilling life by continuing to enhance our facilities and infrastructure and embrace revolutionary global living concepts.

FACILITIES

Transit Point, an extended pathway, is not just a retirement community, but a destination for young and old alike to live in harmony amidst beautiful surroundings and the finest facilities. It is a sprawling 42+ acre green campus with high rise compound wall and gated community with 24 hours security. Residential units were designed with an eye for detail, and the vision to build in-line with global standards. A sound understanding of aesthetics flows through every feature, along with insight in to the requirements of each individual resident. From the pristine walkways to the thoughtfully placed ramps at every entrance, the charming gardens to the care taken to uniquely conceptualize each space, this is an environment that seeks to enchant, entertain, nurture & nourish the young and the old alike.

Transit Point offers residents a choice of accommodation- from dormitories to independent units (studio, 1& 2 BR with attached kitchenettes) and a centralized facility of building for all senior activities. Enjoy the facility of dining with the other residents every day, or opt to have a cook come over to prepare you a special meal of your choice. Our facilities are tailor made, because we understand that one size doesn't always fit all. What's more, Transit Point is affordable to a wide section of society. Rent or lease for 1,2 or 3 years or choose a short term stay to ascertain whether you wish to stay on permanently.

Transit Point @ Suvali Estates is a place where you will see grandparents enjoying the company of their grandchildren, parents romping with their young ones, and the elderly feel completely at home and at peace ...because this is an environment that has been conceptualized not to separate different age groups but to bring them together. With that concept in mind, residents have access to the following upcoming facilities, as part of a multi-generational campus:

PRIMARY SCHOOL: To cater to parents with young children who want to be close to their own parents while also fulfilling the needs of their young ones.

SPORTS ARENA & ATHLETIC CENTER: State of-the-art sports facilities for the young and young at heart, a place that's perfect for enjoyment and relaxation.

LEARNING CENTER: There is no age bar for learning, which is why the learning center @Suvali caters to all age groups.

FITNESS CENTER: Keeping fit is the key to living a full life. At Suvali, the well equipped gym with trained instructors encourages residents of all ages to keep in shape and enjoy resultant good health.

MEDICAL CAMP: Health Education Camps are conducted at frequent intervals for Transit Point residents as well as any other interested senior citizens from nearby villages and towns.

24 HOUR DOMESTIC HELP: Trained domestic help is available to residents to take care of household chores.

PHYSIO & AQUATIC THERAPY: Trained and experienced therapist & pool facilities are available to cater to the needs of the elderly.
